Are you aged 40 and over?  
Are you eligible for a first dose of the vaccine,  
but have not yet booked an appointment?

Been shielding?

Do you have a long term health condition?

Are you a front line health or social care worker?

Do you have caring responsibilities for an older person,  
someone with a disability or who has been shielding?

You do not need to be registered with a GP.

If you know your NHS number, bring it with you. It can be found at  
[www.nhs.uk/nhs-services/online-services/find-nhs-number](http://www.nhs.uk/nhs-services/online-services/find-nhs-number)

If you've had a positive COVID-19 test, you should wait 28 days from the date you had the test before you have a vaccination.

If you have been advised to self-isolate or have COVID-19 symptoms, please do not attend.

Even when you have had the vaccination - remember to keep your distance from others, wear a face mask, wash your hands often and test if you have COVID-19 symptoms.
